Dear Parents and Caregivers,

2026 STUDENT RESOURCE SCHEME - \$130 PER STUDENT

At Corymbia State School we will be using a Student Resource Scheme to ensure that all students have the necessary resources to support their educational requirements. The SRS has been endorsed by the Corymbia State School P&C. The scheme operates at this school under the policy and guidelines of Education Queensland as stated below. **Families will be receiving a 2026 Back to school Boost \$100 voucher from the Qld Government. Parents can choose to apply this to the SRS. More information will be provided in 2026.**

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and **cost-effective** alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with **all items** that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the digital consent participation form via QParents. Invoices will be sent early in 2026. Payments will not be accepted in 2025.
